A photograph of a park scene. In the foreground, there is a field of green grass with many small, blue, bell-shaped flowers. A paved path runs horizontally across the middle ground. In the background, there is a grassy area with a wooden picnic table. The trees are mostly bare, suggesting a late autumn or winter setting. The sky is overcast.

***To enhance our parks for use
by all of the community***

A photograph of a park or golf course. In the foreground, there is a lush green lawn with numerous small, vibrant blue flowers. A paved path winds through the middle ground. In the background, there are several tall, leafless trees and a wooden picnic table on a grassy area. The sky is a pale blue with some light clouds.

Our Solution

Modify the park facilities to accommodate people of all abilities

Have accessible parking for all

Make parks the hub of the community where people can mix

Change the use of our parks – have year round activities

Look at good models of parks – e.g. Saltwell Park

A photograph of a park with a central thought bubble and four surrounding ones. The central bubble is an oval with a green border, containing the text "Make our parks safer for all". The four surrounding bubbles are cloud-shaped with teal borders, containing the following text: "Have park keepers/wardens looking after our parks" (top-left), "Have secure perimeter fencing to prevent vandalism" (top-right), "Lock the gates at night" (bottom-left), and "Maintain hedgerows and shrubs for safety reasons" (bottom-right). The background shows a grassy area with a picnic table, trees, and blue flowers in the foreground.
