Our Improvement –

The development of family learning clubs across the city in local venues.

What are family learning clubs?

Here are some of our ideas:

- Every member of the family can feel valued and learn together.
- When every member of the family goes home they can leave feeling that they have learnt something.

Our Solutions:

- Flexible times
- Suitable times

- Learning that could lead to employment
- Use empty buildings e.g. Schools when closed
- Older members of the family to be engaged with the younger members
